Welcome to Hopkins Hill School or welcome back for another great year!

One way to become involved in your child's new school is to become part of the PTA. How can you start? Here are just a few ways you can contribute and help us support all of the children at Hopkins Hill!

- Become a member of the PTA! This just shows that you support what we do. It is not an obligation to attend meetings or events. The cost is \$6 for one person and \$11 for a family membership. The registration form is at the bottom of this page. You can sign up now and pay when school begins. If you register at orientation you will receive summer updates.
- Collect Box Tops! The Box Tops program gives money to PTA for the number of Box Tops we collect. If you see a Box Top, clip it and put it in an envelope and we will let you know when are collecting them.
- Join the Stop and Shop A+ Rewards program. You register on line and choose Hopkins Hill as your school. The more you shop, the more we earn! Please go to <https://stopandshop.com/aplus/register-card/> at the beginning of the school year and register!
- Join Amazon Smile and choose Hopkins Hill as your charity! You can do this with your regular account or Amazon Prime. We earn cash every time you order through Amazon.
- Attend monthly meetings. We have them once a month and are less than an hour. Children are welcome to come. How could they not? That is the reason we are all here, for the children!
- Be willing to volunteer at family events. The PTA can't do anything without parents willing to volunteer their time at events!

All of these programs help Hopkins Hill provide high quality assemblies for our children and enable us to provide funds to our library, raise money for a new playground, host family events, an after school program, and teacher sponsored events!
