95 Johnson Boulevard Coventry, Rhode Island 02816

September 2018

Dear Local Business,

Remember the thrill of getting the swing higher up than you ever imagined? Or the first time you conquered the monkey bars? Playgrounds are part of the fabric of our community, and an important part of the school day. Families in Coventry come to the Hopkins Hill School playground for a fun interactive play experience.

Our current playground, built over 15 years ago, was financed by the PTA. As much as we love the playground, we are aware that the structures are old. We are also aware that much of the land on the side of the school is in disrepair and children are unable to use this space due to the deterioration of the land caused by the sand that blows from the dunes.

The town and the school department have begun repairing the damage by putting up a protective fence and laying down soil so grass can grow. That is a good start, but we have a long way to go. And we need your help! We are hosting a community Color Run on April 28, 2019. This event will raise much needed funds to provide new updated and accessible playground equipment, build an outdoor classroom, and have a functional field where students can run, have free play, and organize games in a safe space.

The Hopkins Hill PTA is looking for local businesses to sponsor this event. Your money would help purchase the supplies needed to host the event so all of the money collected by participants can be put directly towards the playground. Please see the reverse side for contribution levels. All donors will be publicly acknowledged at the event and can advertise their business with flyers and/or on the Color Run t-shirts.

Hopkins Hill PTA is a registered non-profit organization and all donations are tax deductible to the extent allowed by law.

Thank you for your generosity and support of our elementary school and surrounding community.

Sincerely,
Hopkins Hill PTA
